

The four fights worth winning.

01 Clean up the family courts

Champion the CHILD Protection Act and tie federal grant money to states that keep their family courts honest.

02 Term limits — including my own

End careerism in both chambers, with a grandfather clause so reform actually

03 A smaller, leaner government

passes.
A federal hiring freeze and voluntary early retirement to right-size Washington.

04 Lower taxes by cutting waste

Go after fraud and bloat first, so relief is funded by efficiency — not gimmicks.
